

# Program

## 7th International Congress on Zookeeping

## Monday October 3, 2022

**Location: Pompeu Fabra University**

15:00-17:30 Registration

**Location: Barcelona Zoo**

18:00-20:00 Ice Breaker

## Tuesday October 4, 2022

**Location: Universitat Pompeu Fabra**

08:00-08:45 Registration

09:00-09:30 Opening ceremony

09:30-10:00 **Pablo Fernández de Larrinoa, Fundación CBD-Habitat**

Keynote address: Conservation of the Mediterranean monk seal in the eastern Atlantic

10:00-10:20 **Robert Melero, Zootransfer**

Unusual transportation of animals

10:20-10:40 **Raymon Mentzel & Albert Pamies, Dublin Zoo**

Moving elephants across the world during a pandemic

10:40-11:00 Break

11:00-11:20 **Aurora Pazos, SOS Primates**

SOS Primates: more than a NGO helping primates

11:20 -11:40 **Pablo Delgado, AAP (Animal Advocacy and Protection)**

Collaboration in between Zoos and Rescue centres. What can we do for each other?

11:40 -12:00 **Sarah Blake, Wild Welfare**

Animal Care and Animal Welfare – What's the Difference?

12:00 -12:20 **Shelby Brereton BSc, MSc, Sparsholt College**

What animals do zoos and aquariums keep? How does this impact our educational strategy?

12:40-13:20 Break (including group photo International Zookeeper Day)

13:20 -13:40 **Peter Giljam, Zoospensefull**

Building a comprehensive Behavioural Management Program across many species

13:40-14:00 **Kåre Jensen**

Habitat keepers - the next evolutionary step? An advocacy for a zoo-biological approach

14:00 -14:20 **Paula Cerdán Codina, World Association of Zoos and Aquariums (WAZA)**

Levelling-up global zoo and aquarium animal welfare: The WAZA 2023 Animal Welfare Goal

14:20 -14:40 **Elena Pardo, Barcelona Zoo**

Behaviour of a couple of Iberian wolves after their introduction

14:40-15:00 **Céline Karger, Parc le Pal**

Rescue of an Asian elephant

15:00-16:00 Lunch

16:00-17:00 Global Café

17:00-21:00 International Zookeeper Day celebration (including silent auction)

## Wednesday October 5, 2022

### Location: Universitat Pompeu Fabra

- 09:00-09:30 **Teresa Abáigar, EEZA ( Experimental Station of Arid Zones)-CSIC**  
Keynote address: Sahelo-Saharan antelope conservation projects: the commitment of the zoological community
- 09:30 -09:50 **Demi Booth, Dubai Safari Park**  
Diurnal activity time budgets of African elephants (*Loxodonta africana*) at Dubai Safari Park
- 09:50 -10:10 **Lex van der Leije, International Congress of Zookeepers (ICZ)**  
The work done by ICZ in conservation: ICZ Conservation Committee
- 10:10 -10:30 **Tim Van Loan, ABQ BioPark**  
Creating a culture of welfare
- 10:30-11:00 Break
- 11:00 -11:20 **Javier Vicent, Bioparque Fuengirola**  
Management in the capture of the colony of pink flamingo (*Phoenicopterus roseus*) in Bioparc Fuengirola
- 11:20 -11:40 **Alejandra Arroyo, Yolcati Bienestar animal**  
Implementation of a program wellness as 1st strategy to treat itching psittacidae
- 11:40-12:00 **Christopher Max Burr, Longleat Safari Park**  
Importance of species selection, types of growth and harvesting methods on quality of browse, with a focus on koalas and red pandas
- 12:00 -12:20 **Benny Van Dyck, ZOO Planckendael**  
To train or not to train?
- 12:20 -12:40 **Traci Colwell, Woodland Park Zoo**  
Closing the hand rearing window in one gorilla's family line
- 12:40 -14:00 Lunch

### Location: Barcelona Zoo

- 14:00-16:30 Workshop and guided tour (choose one)
- ZooSpensefull – Workshop: Reinforcement, motivation and creating helpful criteria
  - Barcelona Zoo – Workshop: Elephants: Special requirements, problems and solutions in a group of unrelated female elephants
  - Barcelona Zoo – Guided tour: Conservation

## Thursday October 6, 2022

### Location: Universitat Pompeu Fabra

- 09:00 -09:30 **Antonio Rivas, Iberian lynx Breeding Center "El Acebuche"**  
Keynote address: Helping to recover a critically endangered species: Iberian lynx ex-situ program
- 09:30 -09:50 **Judith Ahsmann, Apenheul Primate Park**  
Of mice and men... And monkeys! Inspiring visitors and stimulating natural foraging behavior in primates through smart design for local biodiversity
- 09:50-10:10 **María Figuerola Deltoro, Arquitecta del paisaje en Bienestar animal**  
Landscape architecture; Animal empowerment exercise freedom through the design of spaces
- 10:10-10:30 **Benoit de Villelongue, Herpeto-Technique**  
Feed back experience: Husbandry and breeding experience of *Dracaena guianensis* in the ZooParc de Beauval
- 10:30-10:50 **Kathrin Paulsen, Hannover Adventure Zoo**  
The important role of zoos in species conservation
- 10:50-11:20 Break (including poster session)
- 11:20 -11:40 **Alessio Cecchi, Pistoia Zoo**  
From fear to trust: Donkey training at Pistoia Zoo
- 11:40-12:00 **Surendra Varma, Asian Elephant Research and Conservation Programme**  
Keepers and captured wild elephants: Risk, responsibility, commitment and contribution of elephant keepers towards captured wild elephants' welfare
- 12:00 -12:20 **Gemma Morató, Barcelona Zoo**  
New pedagogical methodologies applied in the field of environmental education
